

# THREE POINTS RANCH

From Marble Falls (~8 miles)

Take US-281 South towards Johnson City and proceed for 3 miles south past the US-281/TX-71 junction.

Once you pass the Round Mountain city limit sign, watch for a sign on the right side of the road for EE Ranch Road.

Turn right onto EE Ranch Road (a dirt road also identified as County Road 313) and follow this road about a mile, *staying to the LEFT* when the road clearly forks. About ¼ mile past the fork (stay to the left!), the Three Points Ranch entrance will be a small dirt road turnoff on the right marked with a Three Points Ranch sign. If you reach a cattle guard marked with a STOP sign, you have gone too far.

\*EE Ranch Road is Blanco County Road #313; Some online maps refer to it as "Hereford Drive," but highway signage calls it EE Ranch Road.
