

# THREE POINTS RANCH

From San Antonio (~75 miles)

Take US-281 North (about 75 miles total from downtown San Antonio) going through Johnson City. You also pass through Round Mountain (which is spread out).

Watch for the Hoffbrau RV Park sign on your left, and shortly thereafter you'll see a sign marking the EE Ranch Road turnoff to the left at the bottom of the hill.

Turn left onto EE Ranch Road (a dirt road also identified as County Road 313) and follow this road about a mile, *staying to the LEFT* when the road clearly forks. About ¼ mile past the fork (stay to the left!), the Three Points Ranch entrance will be a small dirt road turnoff on the right marked with a Three Points Ranch sign. If you reach a cattle guard marked with a STOP sign, you have gone too far.
