

DIRECTIONS TO THE THREE POINTS RANCH FROM AUSTIN (~60 MILES)

From I-35 in Austin, exit 230 to US-290 West towards Johnson City. After 7 miles, US-290 West becomes TX-71 West.

Continue west on TX-71 for 35 miles to the TX-71 & US-281 junction.

At the junction, exit US-281 South towards Johnson City and proceed on US-281 South for 3 miles.

Once you pass the Round Mountain city limit sign, watch for a sign on the right side of the road marking the EE Ranch Road turnoff.

Turn right onto EE Ranch Road (a dirt road also identified as County Road 313) and follow this road about a mile, staying to the LEFT when the road clearly forks. About ¼ mile past the fork (stay to the left!), the Three Points Ranch entrance will be on the right marked with a Three Points Ranch sign.

If you reach a cattle guard marked with a STOP SIGN, you have gone too far.
