

## DIRECTIONS TO THE THREE POINTS RANCH FROM HOUSTON (~210 MILES)

From the Houston area,  
take I-10 and TX-71 west to Austin.

In Austin, TX-71 West merges into US-290 West  
towards Johnson City. After 7 miles, US-290 West  
becomes TX-71 West again.

Continue west on TX-71 for 35 miles to the  
TX-71 & US-281 junction.

At the junction, exit US-281 South towards Johnson  
City and proceed on US-281 South for 3 miles. Once  
you pass the Round Mountain city limit sign, watch  
for a sign on the right side of the road marking the  
EE Ranch Road turnoff.

Turn right onto EE Ranch Road (a dirt road also  
identified as County Road 313) and follow this road  
about a mile, staying to the LEFT when the road  
clearly forks. About ¼ mile past the fork (stay to  
the left!), the Three Points Ranch entrance will be  
on the right marked with a Three Points Ranch sign.  
If you reach a cattle guard marked with a STOP  
SIGN, you have gone too far.
