

THREE POINTS RANCH

From Dallas (~230 miles)

From the Dallas/Fort Worth area, we generally recommend taking I-35 South past Waco towards Austin. In Belton (south of Waco), merge onto US-190 West via Exit 293-A toward Killeen/Fort Hood. Follow Highway 190 about 47 miles to Lampasas.

In Lampasas, turn left onto US-281 South and follow this South for 25 miles towards through Burnet to Marble Falls. Go through Marble Falls, continuing South on US-281 for another 6 miles past the junction of US-281 & TX-71. Once you see the Round Mountain city limit sign (about 3 miles south past the 281/71 junction), watch for a sign on the right side of the road for EE Ranch Road.

Turn right onto EE Ranch Road (a dirt road also identified as County Road 313) and follow this road about a mile, staying to the LEFT when the road forks. About ¼ mile past the fork (stay to the left!), the Three Points Ranch entrance will be a small dirt road turnoff on the right marked with a Three Points Ranch sign. If you reach a cattle guard marked with a STOP sign, you have gone too far.
